PROFILE

I am a passionate IT specialist with a couple of years of experience in APIs, integrations, data flows, and Azure Cloud components. A big desire to continue developing my professional skills and grow in my career as an IT expert. Next, I am interested in continuing to develop my Azure Cloud knowledge as a developer and, in the future, as an architect.

SKILLS

- APIs (API Design, OAS, Swagger, Postman)
- Back End (NodeJS, NPM)
- Front End (JS, HTML, CSS, React, Next)
- Databases (MongoDB, CosmosDB)
- Azure Cloud
- Integrations
- Data Engineering
- Languages: Finnish, English, Russian
